

Small surfaces filled with objects and furniture are cleaned professionally and efficiently by the extremely manoeuvrable, user-friendly and low-maintenance BD 38/12 C Bp Pack scrubber drier. The machine is equipped with a 38 cm diameter disc brush. The new lithium-ion battery has an extra-long running time, with a lifetime three times longer than conventional batteries. This battery is entirely maintenance-free and quick to charge. The eco!efficiency mode reduces the machine's energy consumption, extends its running time and lowers the noise level by approx. 40%. The BD 38/12 C Bp Pack is 35% lighter in this range, making it easier to tackle steps as well as to transport the drier.

Compact SCRUBBER DRIER BD 38/12 C Bp

The main parameter

| | |
|--|-------------------|
| Working width of brushes (mm) | 380 |
| Working width, vacuuming (mm) | 480 |
| Rated input power (W) | 500 |
| Battery (V/Ah) | 25.2 / 21 |
| Fresh/dirty water tank (l) | 12 / 12 |
| Brush contact pressure (g/cm ² /kg) | 25 - 30 / 16 - 20 |
| Brush speed (rpm) | 180 |
| Max. area performance (m ² /h) | 1520 |
| Practical area performance (m ² /h) | 760 |
| Weight (with accessories) (kg) | 36 |
| Weight without accessories (kg) | 36 |
| Weight incl. packaging (kg) | 42 |
| Dimensions (L x W x H) (mm) | 995 x 495 x 1090 |
