

Manoeuvrable, user-friendly and easy-to-maintain, the BR 35/12 C scrubber drier is a highly professional and efficient tool for cleaning small areas and cluttered surfaces. The machine is fitted with a rotatable roller brush head with KART technology (Kärcher Advanced Response Technology), making it perfect for tight corners. Can also clean in reverse if necessary (due to lack of space etc). The new lithium-ion battery has a prolonged running time, making it 3 times more durable than normal lead batteries. It is completely maintenance-free and quick to recharge. The machine's lightweight design helps you to negotiate steps and facilitates transportation. The eco!efficiency mode reduces energy consumption, increases the running time and lowers the volume by around 40%.

**Equipment**

- **Roller brush**
- **2-tank system**
- **Battery and built-in charger included**
- **Variable contact pressure**
- **Transport wheels**
- **Squeegee, straight**

## **Compact SCRUBBER DRIER BR 35/12 C Bp**

### **The main parameter**

Working width of brushes (mm)	350
Working width, vacuuming (mm)	450
Rated input power (W)	500
Battery (V/Ah)	25.2 / 21
Fresh/dirty water tank (l)	12 / 12
Brush contact pressure (g/cm <sup>2</sup> /kg)	80 - 150 / 6 - 12
Brush speed (rpm)	700 / 1050
Max. area performance (m <sup>2</sup> /h)	1400
Practical area performance (m <sup>2</sup> /h)	1050
Sound pressure level (dB(A))	65
Current type (Hz)	50 - 60
Weight (with accessories) (kg)	35
Weight without accessories (kg)	36
Dimensions (L x W x H) (mm)	890 x 420 x 1090
