

With a lower investment cost, higher production rate and simplicity of maintenance, this scrubber exceeds all expectations. This model features an on-board charger and optional chemical metering for even greater time-savings. Productivity focused • Chariot patented stand-on cleaning technology that significantly increases productivity and cleaning quality • 50% more productive than a conventional 20 inch walk-behind scrubber • Quiet operation for daytime cleaning • On-board charger allows for charging anywhere • The center-pivot squeegee uses Aqua-Mizer Technology, creating a cleaning chamber that holds the solution so that it is used to the fullest effectiveness. Aqua-Mizer helps you lower your water and chemical consumption, extending up to 50% greater coverage per tankful. • Optional chemical metering available to ensure optimal chemical usage. Safety first • Swiveling no-adjustment squeegee, with Aqua-Mizer functionality that ensures 100% water pick up for dry, safe floors • Design and size that provides remarkable maneuverability, and best-in-industry 360° visibility that allows the operator to see more of the cleaning area • Tie-down bar for ease of transportation Easy-to-use • Intuitive control panel with two transport speeds and two operating speeds, and an easy-to-clean, fully accessible hygienic recovery tank • Solution dump hose rotates to the floor for easy, operator-free dumping. • Wide open accessibility for service, with hygienic, easy-to-clean recovery tanks and easy access to batteries • Tight 48 inch turning radius for maneuverability easy access to batteries • Tight 48 inch turning radius for maneuverability

Step-on scrubber driers
